GRANTING PERMISSION TO SUE THE STATE

Mr. Pope offered the following resolution:

H. C. R. No. 30, To grant J. M. McCarty permission to sue the State.

Whereas, On or about March 11, 1933, J. M. McCarty, of Corpus Christi, Texas, while acting as an employe of the State Highway Department of Texas, at or near the drawbridge between Corpus Christi and Nueces Bay, on State Highway No. 12, and while in the performance of the duties imposed upon him by the State Highway Department of Texas, in closing the drawbridge gate was knocked down by an employe of the State of Texas, and by virtue thereof both legs were broken and his back sprained, his body bruised, and otherwise injured; and

Whereas, The direct and approximate cause of the injury was the failure of the Highway Department, of the State of Texas, to properly provide suitable gates with which said J. M. McCarty was required to work; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the said J. M. McCarty, or his heirs, in the event of his death by reason of such injuries, be, and is hereby, authorized to sue the said State Highway Department of the State of Texas, by virtue of service now provided by law and the State of Texas for such amount as he may be by law entitled to recover.

Mr. Dwyer offered the following resolution:

H. C. R. No. 31, Granting J. W. Beretta permission to sue the State.

Whereas, The State of Texas, acting by and through its State Highway Commission, was contemplating the building of a particular type of long span concrete bridge over Cibolo

Creek on State Highway No. 2, and a type of bridge that had been developed by J. W. Beretta and the J. W. Beretta Engineers, Inc., of San Antonio, Texas; that the said Beretta and said Beretta Engineers were employed by said State Highway Commission to design, blue print, prepare plans, and in short make ready all necessary preparation for the construction of such particular type of bridge; and such work done during years 1931, 1932, and 1933; and

Whereas, Said Beretta and said Beretta Engineers did, at much outlay and monied expense, prepare all such plans, and at much expense made trips of inspection out of the State of Texas for information and data, and all for said purpose, and at the special instance of said State Highway Commission; and

Whereas, Said Beretta and said Beretta Engineers have not been compensated for their expenses, their time, and such plans; and

Whereas, Said State Highway Commission contends that it owes said Beretta and said Beretta Engineers nothing, and that it is a branch of the State Government, and cannot be sued without permission from the Legislature of the State of Texas; and

Whereas, It is the sense of this Legislature that no citizen of this State who has a valid or just claim against the State or the State Highway Commission, shall be deprived of his opportunity to establish or enforce such claim by reason of any constitutional inhibition; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That said J. W. Beretta and the said J. W. Beretta Engineers, Inc., be, and they are hereby granted permission to bring and prosecute their suit for their damages to them for the services rendered said State Highway Commission in the District Court of Travis County, Texas, in order to determine such compensation they are entitled to, if any, and that service of citation or other necessary process may be had upon the said State Highway Commission and the Attorney General, with the same force and effect as in civil cases.
